

An **Estimator** position in **Wathena, KS** is available at M CON, LLC This is a full-time position with full benefits and participation in the Company 401 K Plan.

We are seeking a self-motivated individual to join our growing Estimating Team. To be considered for this position you must have previous estimating experience, preferably in the water, wastewater, or industrial markets. Candidates with proven experience estimating cast-in-place concrete tanks, underground yard piping, and/or above grade process mechanical piping systems. Estimating experience with at-risk self-performing contracts is preferred over construction manager at-risk delivery methods.

### **WHAT YOU WILL BE DOING**

- Preparing contingency and risk analysis for the estimate and pre-review.
- Analyzing and compiling estimate data that impact the cost of labor, materials, equipment requirements, location, and other factors.
- Communicating estimate bid information to field operations at pre-construction meetings to ensure understanding of scope of job and critical means and methods of construction.
- Developing and maintaining business relationships with owners, small businesses, subcontractors, and suppliers by creating strategic alliances and increase bid opportunities.
- Ability to provide conceptual estimates from limited information.
- Ability to produce conceptual schedules based on final estimated quantities/production rates.

### **WHAT WE ARE LOOKING FOR**

- Preferred but not required: Bachelor's degree in civil engineering, construction management, business administration or equivalent work experience.
- Proficiency interpreting construction drawings and understanding specifications.
- Must be able to review take-off quantities to ensure accuracy of data used in estimates and review drawings, specifications, and proposed project site conditions.

### **LET'S TALK THE PERKS!**

We take care of our employees so they can focus on their best work and a balanced life. Trust us, your friends will have work envy. Our benefits package is competitive and comprehensive and includes medical, dental, and life insurance, as well as retirement plans.

- 401K Retirement Plan
- Health, Dental, Vision and Life Insurance
- Paid Holidays
- Vacation
